SUMMARY OF TELEPHONIC INTERVIEW

Sir:

On August 17, 2010, Examiner Kenneth Tang called the undersigned to propose the following to place the case in condition for allowance. In claim 26, at line 1, before "computer-readable," add "non-transitory." Agreement was reached that this amendment would be made by examiner's amendment.

Agreement was also reached that a terminal disclaimer would be submitted to overcome the non-statutory obviousness type double patenting rejection over U.S. Patent No. 7,146,353. No other references or exhibits were discussed.

Date: August 20, 2010

Respectfully submitted,

/Dan C. Hu/
